
HEALTH SCIENCES EDUCATORS LLC

Years of experience in sales and marketing lead me to a career in Executive Recruiting. Consulting for the Arizona Nurses' Association years ago gave me a sincere passion for the profession of Nursing and Helping Professions. I have also worked in the Hospitality Industry, Publishing, Advertising along with Recruiting. Finding the perfect professional in a challenging search for a college or university is extremely rewarding. – Laura Foster, President of HSE

Our Focus: Interfacing with Colleges of Nursing and Health Sciences to find the right professional. Working with Deans of Nursing, Nurse Educators and Health Science Program Directors who wish to consider a professional opportunity leading to career growth while bringing outstanding skills and experience to the College.

Ethics and integrity are our top priority both individually and as a team

- *A source you can trust for the best professional Leaders and Educators in Nursing and Health Sciences*
- *We are a National Search Firm*
- *We work with Colleges of Nursing, Schools of Allied Health and Health Sciences, large and small Colleges and Education Groups, Ground and Online Campuses*
- *Comprehensive knowledge of the field helps us in understanding what Colleges and Candidates are looking for and what is needed*
- *We offer years of experience in working with Clients and Candidates in Health Sciences*
- *Provide education leaders who can build trust and a strong team, prepare students for success, and increase attendance*

Build long term working relationships

To offer standout candidates in Nursing, Physician Assistant, Medical Assisting, PTA, OTA, Vet Tech, Surg Tech, Dental Assisting, and all areas of Health Sciences and Allied Health

- *We clearly define our client's wants and needs*
